

# Under the Sea Village 2014

CISV Dallas/ Ft. Worth

It all began on May 4<sup>th</sup>, 2014 at the  
World of Nations

Next thing you know...

...we have  
arrived at the  
University of  
Dallas!

And the  
fun  
begins!

Twass a time for making new friends....

Watching the World Cup during free time.

Participating in activities such as the “Fax Machine” (left) and “On the Beach, In the Water” (below).

And  
activities  
that  
taught  
us how  
to  
Reduce,  
Reuse,  
and  
Recycle!

# There was the Stereotype Game

# What 11 year olds around the World think of the USA.

And it would not  
have been a  
proper Summer  
if we didn't  
sunbathe!

# We shared a table with El Salvador on Open Day

Isa, Eduardo, Maria, Fernando, Hunter, Harper, Sally,  
Matthew

And spent the  
4<sup>th</sup> of July at  
the mall.

We looked at hermit crabs  
with the Swedish delegation

We accessorized  
at Claire's

Can you tell we had loads of fun?

I think this is our best group picture yet!

We  
worked  
hard to  
prepare  
Sally's  
Bears on  
the  
Beach  
snack  
idea for  
our  
National  
Night.  
Everyone  
loved  
them!

Everyone  
loved our  
skit,  
including  
Hunter's  
character  
Morris!

Afterwards we watched **fireworks** and played with glow sticks outside!

We ventured to  
our next  
excursion by  
means of  
public  
transportation  
called the Dart!

We saw lots of cool animals at the  
Dallas Aquarium/Zoo

We checked out bats  
(right) and posed  
underneath the cool  
jellyfish (below)

We took lots of cool pictures!

Afterwards we walked to the park and  
had a yummy lunch!

We even  
got to  
splash  
around in  
the  
fountains

Delegation time was the favorite part of the day with lots of goofing around and sharing candy with the other delegations!

The talent show was a blast with Sally and Harper's interpretive dance, Matthew's magic tricks, and Hunter's blinded baby food testing!

Everyone had fun  
at a casino  
themed Gala  
Night.

Finally, our journey come to a close with a giant sleepover on the last night...and Bob!

Everyone made it home safely  
with a surprise run in with the  
Polish delegation!

Thank you 😊
